### News From Training Camps.

SAN ANTONIO, Tex., March 18.—The erratic pitching and weak hitting in the game against the Cardinals Sunday has been counterbalanced since then by the steady work of the Cleveland men in their own practice games. "Cumble" and Harstad have shown exceptional good pitching the last few days. Youngstown's infield work is a source of gratification to Manager Birmingham.

MACON, Ga., March 18.—Joe Connolly is up to his old tricks. The hard-hitting outfielder of the Braves has been slugging the ball to the far corners of the lot, getting at least one clout in each of the last three games. With Georgia Military Academy, he hit a home run over the fence with the bases full.

ATLANTA, March 18.—Roger Bresnahan of the Cubs announced yesterday that Pete Allison is the first member of his squad to be released. He is on his way to Memphis.

GULFPORT, Miss., March 18.—Hughie Jennings resumed yesterday his task of trying to convert Harry Kavanagh into a first baseman. George Burns, the regular first sacker, who has been stricken with appendicitis, is resting easily.

HOT WELLS, Tex., March 18.—After games with San Antonio today and the University of Texas Friday, the Cardinals will divide into squads and barnstorm their way home.

HOT SPRINGS, Ark., March 18.—Another session of general practice was on tap yesterday for the entire Red Sox squad, in preparation for today's game between Carrigan's regulars and Heile's "Wagners." Yarnall, Foster, Leonard, Mays and Shore put some real stuff on the ball.

## SCHOOL BASKET BALL TITLE

WILL BE DECIDED TOMORROW

Western and Business Meet in Contest to Break Tie Which Has Existed Since Last Friday—Other Gossip.

BY H. C. BYRD.

The scholastic basketball championship of the district will be decided tomorrow. Business High and Western are scheduled to meet in the men's gymnasium of the Y. M. C. A. at 3:30 p.m. to play off the tie which has existed between them since last Friday. The contest is sure to be attended by the largest crowd that has ever watched a scholastic contest in the district, as it undoubtedly is the most important. The game assuredly will be well contested. Both teams are in good shape, according to report, and are expected to put up the best battle of the season. Some of the most capable scholastic players in the city are members of these clubs—in fact, those who have selected scholastic all-star aggregations have chosen solely from the Business and Western players. That is evidence in itself of the kind of play that may be expected. Also the two teams are well coached. Both have had capable men in charge and they have shown a good attitude of team play all through the season.

Technical High went to Georgetown yesterday and put up a good exhibition against the Hilltoppers' nine. The Manual Trainers held the Blue and Gray to a score of 1 to 4, and gave a really creditable exhibition. The coaches of both teams gave all the players a chance, Georgetown using a great many men.

The contest was rugged, as might be expected, because of the poor conditions. The weather was much too cold to guarantee even a fair display of the best capabilities of the men. Stowers of Technical did some good work in the box, while McCarthy pitched well

for the Blue and Gray, especially considering the fact that it was so cold the players could hope to get but little on the practice.

A basketball game took place at Galahad between the team representing that school and the Lincoln Athletic Club. The two teams gave a very creditable exhibition.

The Western High basketball team played yesterday against the Easthampton High School quint of Massachusetts, winning by a big margin. The Red and White did consistent work and boosted the hopes of its supporters for the contest tomorrow with Business. The men showed to better advantage than usual, seeming to be in better condition.

A championship boxing tourney will take place at Georgetown, Saturday, March 27. The various classes will be contested in order to determine the men in the university at the several weights. Joe Ruteman, who has been teaching the Blue and Gray, has some very capable performers under his direction, and he thinks some good exhibitions will be given. It may be mentioned in connection that Mr. Ruteman will become boxing instructor at Fort Myer, doing his work there in conjunction with that at Georgetown.

Entry blanks are out for the closed indoor gymnasium meet to be held by the Young Men's Christian Association Saturday April 10. There will be several events, as follows: 25-yard dash, relay race between the second and fourth floors, relay race between the fourth and sixth floors, mile run, relay race for championship of Y. M. C. A. dormitories, 440-yard run, 220-yard high jump, 550-yard run and 220-yard dash. In the relay events each man will run two laps, about 140 yards. A non-charged entry fee of 10 cents will be charged each entrant, and the entry list will close Saturday, April 3.

### Genoa and Ninas Win.

The Genoa and Ninas were winners in the Carroll Council organization. The former won all three of their games from the Pintas, while the latter got two out of three from the Columbus. McGeehan, 50 to 10, was high man of the two matches, having marks of 114, 95 and 138 for a total of 347.

The scores made in the various leagues last night were below the average, with the exception of the National Capital. This probably was due to none of the leading clubs being engaged against other good quints.
